This year we have instituted a form to indicate if you have any special needs in case we have a declared emergency.

This form is **voluntary** but very important. This will only be used during an emergency by the Pennsburg Borough Emergency Management team to protect citizens' life and wellbeing.

**This information is confidential and will not be shared with any other private or governmental agency.**

Always keep a battery powered AM/FM radio and a flashlight on hand. Have extra batteries for both. Have an emergency kit available to store prescription drugs and important documents in case of evacuation.

Look after your neighbors especially if they have special needs.

During thunderstorms and tornado alerts, stay away from windows and doors. In case of tornado warnings, take cover in your basement. If you do not have a basement, take cover in the interior of the house in a bathroom or closet. Do not use the telephone and stay away from water and plumbing during a thunderstorm.
