Dumpster/Bagster/Temporary Storage Unit Guidelines
Per Ordinance #3-2014

1. Unit must be placed on paved, gravel or stone driveway or parking area unless an alternative area has been approved by the Zoning/Code Enforcement Officer.
2. Unit must be covered to prevent contents from escaping and/or being exposed to weather conditions that might cause health hazards.
3. Unit should be secured to location to prevent movement from high winds or severe weather conditions.
4. Overflow of any material from the unit is not permitted. Accumulation of material next to unit is also not permitted.
5. No unit shall be used to store solid waste, recyclable materials, business inventory, commercial goods for sale, or any illegal or hazardous material.
6. Upon reasonable notice, the Borough may inspect the contents of any unit.
